Volume 2, Issue 4

Did you know:

This year's annual meeting is in San Francisco!

We'll be staying at the Hilton San Francisco.

See you there!

Food Drive A Huge Success : Congratulations P2s

All the classes came together and made some happy Thanksgivings for a lot of grateful people. A total of 3,656 food items were donated. That is more than we had last year. Way to go!

The P2 class donated the most items. They will be getting a special dessert party and bragging rights for their great effort! However, the most important thing is we all helped the Amboy Food Pantry fill its cupboards for the holiday.

Thank you all for making our food drive successful. It means so much to so many people. Last year we helped to feed 314 adults and 312 children. This year we had even more food. With your help, we proved that pharmacy students show compassion even outside of their professional duties.

The entire UAMS APhA-ASP wishes you all happy holidays and good luck on finals! See you next year.

-Amanda Galiano, VP of Communications

Member of the Month

Inside this issue:

Pictures 2

The Member of the Month for December is Clay Morris. Clay is a third year student and has been an active ASP member since starting pharmacy school.

Clay has been extremely important to the success of our chapter but in ways that probably have not been seen by most, because his work has been primarily behind the scenes. Clay has represented our chapter at several regional and national meetings including the University of Utah School on Alcoholism and Other Drug Dependencies.

Clay is a member of the Logistics and Operations committee and has been helping bring food to our meetings for the past two years. Clay has also gone above and beyond his duties by staying behind after every meeting to clean up the trash that has been left in the room. Another place that Clay can be seen working hard is at our patient care projects.

Clay is always willing to help, and he has a wonderful way with the patients. It is for all of these reasons that we wanted to honor Clay with member of the month. Words cannot express how much we appreciate him for everything he does.

-Exec Committee
